	Explanation of the appropriateness of the assessment methods in assessing the intended learning outcomes: The assessments focus on: (1) basic knowledge in Cantonese in terms of word and grammar, (2) the ability to use Cantonese jyutping in reading and writing, and (3) speaking in Cantonese, individually and in group work. As interaction is emphasized, class participation is also assessed. Students may use GenAI in assessment unless they have been told otherwise before the assessment. The work submitted for assessment must be students' own work. The submitted work may not be accepted for the purpose of assessment if its authenticity is questionable. Third-party materials (included AI-generated materials) used in the work must be properly referenced. Submitting third-party materials as their own work is an act of academic dishonesty and will lead to disciplinary actions. Departments and subject teachers have the discretion to request students to make an honour declaration for the authenticity of the work they submit for assessment.
