

Subject Code	ENGL2007
Subject Title	Work-Integrated Education
Credit Value	3 Training Credits
Level	2
Pre-requisite / Co-requisite/ Exclusion	None <i>Note: Although there are no pre-requisite subjects, students are required to complete the 'Mandatory Pre-WIE Training' offered by the PolyU Global Engagement Office before enrolling in WIE. This is an online unit available year-round. GEO will also offer occasional face-to-face training sessions. The certificate of completion must be submitted with the WIE application to the WIE Coordinator.</i>
Objectives	This subject aims to enhance students' professional competencies and all-roundedness through workplace-based training. Teaching and learning objectives will align with PolyU's Strategic Plan for all-round development of students. BAEAL students, the WIE Coordinator (Subject Leader), and the WIE Officer, together with potential employers/workplace supervisors, will contribute to planning, implementing, and evaluating WIE activities in accordance with the University's vision and mission and the BAEAL Programme's intended learning outcomes.
Intended Learning Outcomes	Upon completion of the subject, students will be able to: - demonstrate a richer understanding of the effective use of language and communication skills in the workplace in both interpersonal and interprofessional domains; - appreciate how language and communication are used in the workplace by leaders/supervisors in order to achieve goals and objectives; - feel more confident in using language and communication skills in the workplace; - demonstrate improved creative and critical thinking and in making independent judgements; - display awareness of and appreciation for diverse cultures, both human and corporate, within professional settings; and - identify goals for personal and professional development in the future.

Subject Synopsis/ Indicative Syllabus	In order to help students benefit from the WIE placement, teaching and learning activities will adopt the following structure: 1. <u>Orientation to WIE</u> In order to prepare students for the fulfilment of the WIE training, an information session will be included in the BAEAL New Student Orientation for both four-year and senior-year students at the start of each academic year. Content of this information session will include the following: • The objectives, requirements and assessment criteria of WIE in the BAEAL Programme; • Duties and responsibilities of students and the WIE Coordinator (Subject Leader) and WIE Officer; • WIE placement programmes supported by the Department of English and Communication and PolyU; • Support services available through PolyU's Office of Careers and Placement Services and other institutions, organizations and companies; and 2. Details of PolyU's mandatory pre-WIE training requirement. <u>Training placements and supervision</u> • After assessing their interests and abilities, students will source and secure WIE placements in companies/organisations in Hong Kong, the Chinese mainland, or overseas, where English is commonly used for communication in the workplace and/or as part of core duties, for a minimum of 60 hours on-the-job training. • Students are encouraged to search for placements that align with the focus of their studies and their long-term career interests. After submission of required documentation and review by the WIE Coordinator, successful proposals will be recognised as Individual WIE Placements. • Before work placement commences, students and employers will be informed/reminded of the expectations of WIE training in the BAEAL Programme as identified in the Intended Learning Outcomes of the subject syllabus. • By the end of the first quarter of WIE, students are expected to post an interim report to the Discussion section on Canvas covering the following details: (i) site of training and nature of industry; (ii) duties and responsibilities; (iii) skills and knowledge required to cope with routines in the profession. Students are encouraged to read and comment appropriately on each other's posts to promote learning and discussion.
---	---

Teaching/ Learning Methodology	Students are encouraged to keep in contact with the WIE Coordinator during their placement through face-to-face or electronic means when necessary. Students are encouraged to first approach their employer or immediate supervisor for advice to solve problems and cope with uncertainties in the workplace. Students are also strongly encouraged to consult their Academic Advisors when they need advice.							
Assessment Methods in Alignment with Intended Learning Outcomes	Specific assessment methods/tasks	% weighting	Intended subject learning outcomes to be assessed (Please tick as appropriate)

	1. Performance Appraisal	20%	✓	✓	✓	✓	✓	✓
	2. Daily Journal, Interim Reflections, & Final Reflective Report	80%	✓	✓	✓	✓	✓	✓
	Total	100 %						
	<i>Responsibility of Students</i> On completion of the WIE placement, students will evaluate their WIE training in the form of portfolios which include: • identification of personal achievements which will reflect the extent to which intended WIE outcomes have been achieved, through the completion of a WIE Final Report at the end of the placement, and • a reflective journal maintained regularly during the student’s WIE experience.							
<i>Responsibility of Employers</i> Since employers play an important role in supervising students in the WIE training, an online appraisal checklist will be sent to them to assess the workplace competencies of BAEAL students. Knowledge and skills to be evaluated by employers include: • Language skills: The use of English and/or Chinese (including Putonghua) in organizational communication and the development of interpersonal / business relationships. • Work attitudes: Punctuality, initiative, manners, respect for corporate culture, appreciation of human values, leadership/supervision, etc. • Reasoning: Ability to think critically to solve problems and cope with uncertainties in the workplace. • Personal and professional development: Identification of achievements during the 60 hours’ training and areas for								

	future development. <i>Responsibility of the WIE Coordinator</i> By collating and assessing learning portfolios from students and evaluation from employers, the WIE Coordinator will award a grade (Pass with Merit, Pass or Fail) for endorsement by the Department's Subject Assessment Review Panel (SARP), to complete the WIE training exercise.	
Student Study Effort Expected	Pre-Placement Training	10 hrs
	Placement	60 hrs minimum
	Keeping Reflective Journal	15 hrs
	Preparing Final Report	20 hrs
	Total Student Study Effort	105 hrs
