

Subject Code	ENGL 3012
Subject Title	Creative Writing in New Media
Credit Value	3
Level	3
Pre-requisite/ Co-requisite/ Exclusion	None
Objectives	The objectives of this subject are to: 1. Introduce and apply the principles of communication in reading and writing. 2. Introduce and apply multimodal literacy functions and practices in reading and writing. 3. Study and apply how multiple modalities are used to create, convey and exchange meaning in online and digital communication environments. 4. Compose in multiple modalities to create, convey and exchange meaning within online and digital communication networks.
Intended Learning Outcomes	Upon completion of the subject, students will be able to: <u>Professional/academic knowledge and skills</u> (a) apply principles of communication and knowledge and techniques of multiple modalities to reading and writing; (b) apply knowledge about multimodal literacy functions and practices in consuming and composing writing in online and digital environments; (c) apply multiple modalities in writing within digital communication networks; <u>Attributes for all-roundedness</u> (d) communicate effectively in creative writing and project presentation; (e) learn actively from one another; and (f) think and reason critically and creatively, especially in applying different modalities in creating meanings and composing.
Subject Synopsis/ Indicative Syllabus	1. Introduction to principles of communication: audience awareness, organisation, rhetorical functions, rhetorical appeals, correctness, tone and style. 2. Multimodal literacies: audiences, purposes, values, functions and practices; reading, writing and exchanging

	reflecting on their process and result. All the assessment methods/tasks are designed to meet the ILOs so that students apply principles of communication and knowledge and techniques of multiple modalities to reading and writing; apply knowledge about multimodal literacy functions and practices in consuming and composing writing in online and digital environments; and apply multiple modalities in writing within digital communication networks. The final project enables attainment of Category B ILOs.
