

Subject Code	ENGL5050
Subject Title	English Grammar and Pedagogy
Credit Value	3
Level	5
Pre-requisite/ Co-requisite/ Exclusion	N/A
Objectives	This course is designed to enhance students' linguistic sensitivity to English grammar, with a particular emphasis on pedagogical usages. Students will develop their understanding of the functions and structures of English grammatical units through select grammatical frameworks. In addition to developing metalinguistic awareness, students will also be exposed to the applied aspects of grammar, i.e. the application of grammatical knowledge to real life contexts and to pedagogical approaches to language teaching and learning. Thus, students will be equipped with both theoretical insights and practical skills to effectively understand, use, and teach English grammar in diverse educational contexts.
Intended Learning Outcomes	Upon completion of the subject, students will be able to: a) Obtain a comprehensive understanding of English grammatical structures and theories; b) Recognise and analyse key areas of English grammar; c) Distinguish among the grammatical features that help to create particular registers in English d) Apply their grammatical knowledge to understanding authentic texts e) Develop and apply pedagogical strategies that demonstrate an understanding of grammar usage
Subject Synopsis/ Indicative Syllabus	The course will cover the following areas: • Understanding grammatical concepts and frameworks • Grammatical analysis and metalinguistic awareness • Pedagogical approaches to grammar • Designing and implementing effective grammar instruction
Teaching/Learning Methodology	This subject will approach grammar through lectures, activities, and discussions. Students will have opportunities to examine texts and analyse their grammatical characteristics. Students will also utilize their grammatical knowledge through the development and implementation of pedagogically related tasks and exercises.

Assessment Methods in Alignment with Intended Learning Outcomes	Specific assessment methods/tasks	% weighting	Intended subject learning outcomes to be assessed (Please tick as appropriate)				
			a	b	c	d	e
	1. Quiz	30%	√	√			
	2. Grammar Project	70%			√	√	√
	Total	100 %					
	Assessment is both for and of learning. The quiz will assess students’ grammatical knowledge, while the grammar project will have students design and implement a grammar lesson using knowledge learnt in class.						
Student Study Effort Expected	Class contact:						
	▪ Lectures					39 Hrs.	
	▪ Seminars					0 Hrs.	
	Other student study effort:						
	▪ Private study					39 Hrs.	
	▪ Assignments					39 Hrs.	
	Total student study effort					117 Hrs.
