

Subject Code	MM6922																																						
Subject Title	HKDMgt Residential 2																																						
Credit Value	2																																						
Level	6																																						
Normal Duration	1-semester																																						
Pre-requisite/ Co-requisite/ Exclusion	Completion of 3 required compulsory subjects (excluding MM5T21) and 3 elective subjects																																						
Objectives	This subject contributes to the achievement of the DMgt outcome by sharpening students' ability to conduct original applied research and ethical awareness in business administration, laying the foundation for lifelong learning within Hong Kong and global contexts (Outcome 3).																																						
Intended Learning Outcomes	Upon completion of the subject, students will be able to: - present their thesis proposals; - integrate the feedbacks from the panel members to further improve their research model and methods; - prepare for their data collection and analysis; - review requirements and guidelines for writing the thesis.																																						
Subject Synopsis/ Indicative Syllabus	The purpose of this workshop is to prepare students for the DMgt thesis. The content will include: - presentations of students' thesis proposals. Other students and academic staff, including thesis supervisors, will provide feedback to the students about their proposed research. - Experience sharing by DMgt alumni who have successfully conducted and finished their theses. - special sessions will also be held on various research topics, depending on the needs of the participants.																																						
Teaching/Learning Methodology	This is an intensive and interactive workshop that involves presentations by students as well as discussions and seminars.																																						
Assessment Methods in Alignment with Intended Learning Outcomes	<table border="1"> <thead> <tr> <th rowspan="2">Specific assessment methods/tasks</th><th rowspan="2">% weighting</th><th colspan="4">Intended subject learning outcomes to be assessed (Please tick as appropriate)</th></tr> <tr> <th>a.</th><th>b.</th><th>c.</th><th>d.</th></tr> </thead> <tbody> <tr> <td>Continuous Assessment*</td><td>100%</td><td></td><td></td><td></td><td></td></tr> <tr> <td>1.
