

Subject Description Form

Subject Code	ITC3211D
Subject Title	Occasion Wear Design
Credit Value	3
Level	3
Pre-requisite(s) / <Co-requisite> / (Exclusion)	ITC3209D Womenswear Design or ITC3210D Menswear Design or ITC3218I Lingerie Development
Objectives	The subject identifies and adopts professional design process methods employed by the special occasion wear industry to create a coherent design portfolio and a modern occasion wear prototype at industry standards.
Intended Learning Outcomes	Upon completion of the subject, students will be able to: a. recognise specific design process methods in developing modern occasion wear design; b. recognise key couture embellishment techniques and advanced fitting techniques for occasion wear design; c. recognise inspiration from various sources and create a coherent concept journal for original occasion wear; d. develop and implement skills and techniques of visualising and presenting occasion wear design in 2-dimensional format effectively; e. develop and implement specific technical skills related to occasion wear garment prototyping in 3-dimensional format effectively; and f. effectively communicate with design professionals and function professionally in the context of occasion wear design.
Subject Synopsis/ Indicative Syllabus	(I) Understanding of Haute Couture and Occasion Wear History of haute couture. Understanding of the design approaches and philosophies of contemporary couture designers. Appreciation of occasion wear design. (II) Design Development of Occasion Wear Transformation of inspiration into a concept journal for modern occasion wear design. (III) Techniques in Fashion Visualisation Specific techniques of design drawings and technical drawings for occasion wear in 2-dimensional format. (IV) Techniques in Garment Prototyping Techniques of draping, patternmaking, understructure, couture embellishment and advanced fitting, and sewing for prototyping occasion wear in 3-dimensional format.

	(V) Fashion Styling and Co-ordination Deployment of design concepts in occasion wear styling and co-ordination.							
Teaching/Learning Methodology	Dissemination of knowledge through lectures and practice in a studio environment will be employed. This interactive approach will offer better opportunities for students to deepen their understanding of the concepts taught as well as hands-on experience in problem solving. Students will visualise and present fashion concepts for occasion wear both in 2-dimensional and 3-dimensional formats in assigned project work through the student-centered projects.							
Assessment Methods in Alignment with Intended Learning Outcomes	Specific assessment methods/tasks	% weighting	Intended subject learning outcomes to be assessed (Please tick as appropriate)					
			a	b	c	d	e	f
	Continuous Assessment	100%	✓	✓	✓	✓	✓	✓
	1. <i>Design Portfolio – concept research and development, concept journal, design drawings</i>	40%	✓	✓	✓	✓		✓
	2. <i>Prototype Realisation – occasion wear</i>	40%	✓	✓			✓	✓
	3. <i>Presentation</i>	20%				✓	✓	✓
	Examination	0%						
	Total	100%						
	Explanation of the appropriateness of the assessment methods in assessing the intended learning outcomes: The design portfolio and prototype realisation will assess students’ understanding of theories related to the concepts and applications of design elements and principles, design development, as well as visualisation and presentation skills in contemporary occasion wear design. Students’ communication and presentation skills in the context of occasion wear design will also be assessed. The reasonable use of GenAI tools is deemed acceptable. Students are required to declare the use of GenAI in their work and reference them in accordance with accepted academic conventions.							
	Student Study Effort Expected	Class contact:						
▪ Studio						39 Hrs.		
Other student study effort:								
▪ Projects						69 Hrs.		
Total student study effort						108 Hrs.
