

Subject Description Form

Subject Code	ITC3224E
Subject Title	Business Development of Luxury Accessories and Lifestyle Products
Credit Value	3
Level	3
Pre-requisite(s) / <Co-requisite> / (Exclusion)	Nil
Objectives	The subject provides both product and production knowledge and the business development of luxury accessories and lifestyle products. It includes jewellery, timepieces, underwear, leather and fur goods and forms a solid foundation for students pursuing their careers in the luxury industry.
Intended Learning Outcomes	Upon completion of the subject, students will be able to: - describe the foundational knowledge of luxury definition and luxury product development; - analyse and understand the characteristics of different luxury market segments; - analyse the luxury brand development: product, price, communication, and distribution; - apply their theoretical and practical knowledge of luxury brand development so as to analyse and solve real life problems in the field of luxury accessories and lifestyle products.
Subject Synopsis/ Indicative Syllabus	(I) Luxury Concept and Luxury Market Segments Definitions and concept of luxury and luxury products Concepts of craftsmanship and artisanship Boundaries between premium brands and luxury brands Diverse luxury market segments (II) Developing Luxury Products and Productions Coherent luxury brand building: brand architecture and brand extensions Product development in line with luxury brand integrity (III) Luxury Brand Collaboration for Product Development Product innovation and customized service Dream factor and recreating exclusivity Distribution models: rarity vs. exclusivity vs. selectivity

	(IV) International Luxury Market and Product Development Market leaders and emerging countries Global consumer behavior and cultural perspectives Challenges in global market and market growth Aspirational/symbolic buyers																																														
Teaching/Learning Methodology	A combination of lectures and tutorials will be designed to provide general framework with specific reference to theoretical and practical issues. Guest seminars given by professionals to share their professional expertise will provide students a valuable insight into the realities of luxury market and luxury accessories and lifestyle product development. Visits to luxury design houses and shopping outlets will also be offered to broaden their design knowledge. Students’ presentation and interactive discussions will help to develop their communication skills.																																														
Assessment Methods in Alignment with Intended Learning Outcomes	<table><tr><th rowspan="2">Specific assessment methods/tasks</th><th rowspan="2">% weighting</th><th colspan="4">Intended subject learning outcomes to be assessed (Please tick as appropriate)</th></tr><tr><th>a</th><th>b</th><th>c</th><th>d</th></tr><tr><td>Continuous Assessment</td><td>50%</td><td>✓</td><td>✓</td><td>✓</td><td>✓</td></tr><tr><td><i>1. Tests</i></td><td><i>20%</i></td><td>✓</td><td>✓</td><td>✓</td><td></td></tr><tr><td><i>2. Case studies analysis</i></td><td><i>10%</i></td><td></td><td>✓</td><td>✓</td><td>✓</td></tr><tr><td><i>3.
