

Subject Description Form

Subject Code	ITC4062R
Subject Title	Fashion Retail Promotion
Credit Value	3 credits
Level	4
Pre-requisite/ <Co-requisite> / (Exclusion)	Nil
Objectives	This subject aims to teach students to understand the essential components of the promotional mix within the fashion retailing environment as well as to analyse the planning, implementation and critique of promotional activities. The subject will seek to enhance the development of the students' global awareness, critical and analytical thinking and communication skills.
Intended Learning Outcomes	Upon completion of the subject, students will be able to: a. Critically and creatively apply the objectives and functions of fashion promotion in formulating and implementing effective promotional strategies and planning, within a local as well as a global context. b. Describe the creative process of fashion promotion and its impact on the fashion retailing business and to integrate that into market promotional planning. c. Analyse, evaluate and compare the current industry promotional strategies and practices in terms of their impact on the retail fashion business. d. Demonstrate their integrated theoretical and practical knowledge and ability to think critically and creatively by successfully undertaking a project and competently and professionally analysing the results and communicating and presenting the findings.
