| <b>Teaching/Learning Methodology</b>                                   | Lectures will form the main theoretical and conceptual inputs. Tutorials and seminars will seek to explore, via case-study analysis and contemporary research, the latest developments on international fashion retailing issues.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                                                                                |   |   |   |  |         |                                   |             |                                                                                |  |  |  |  |  |   |   |   |   |  |  |         |     |  |  |  |  |  |  |                          |     |  |  |  |  |  |  |                  |     |  |  |  |  |  |  |                |     |  |  |  |  |  |  |       |      |  |  |  |  |  |  |
